

Important Information to Take Back to Home Groups – April 2017

Announcements

- Reminder that the next ASC will be held on May 21st (3rd Sunday of the month to avoid conflict with Mother's Day holiday).
- The information packet in last year's GSR workshop and the updated Policy Handbook are now posted on the New Dominion Area section of the rvana.org website (under 'service' tab, 'New Dominion' on the bottom) for anybody's reference at any time.
- Electing Vice Treasurer next month. Please take this to your homegroups and see if anybody is interested.
- Literature orders are serviced better with a **text message (910-742-6350)**, as emails can get buried!
- **H&I have suspended several meetings due to lack of volunteers. Remember, we only keep what we have by giving it away! Please step up and help those who haven't found recovery yet.**

NAWS Environmental Scan and Motion

Motion #3-17-1

Motion: To increase the NDANA prudent reserve from \$3,500 to \$7,500.

Intent: To secure the availability of funds for the NDA under the new operating budget.

Mover: Dale C.

Seconder: John C.

Outcome: Back to homegroups

There is still time to submit your feedback from the Environmental Scan from NAWS. The deadline to submit your input is April 24th. There is a survey and NAWS has asked for delegate input and I need your help so I can be sure to give OUR conscience. The Environmental Scan is attached to the minutes. This is an opportunity for the Central Atlantic Region to provide input up front, directly influencing the NAWS Strategic Plan by providing data they can consider as part of our environmental scan. This scan reflects NAW's best efforts to capture trends and issues- both within and outside of the Fellowship-that affect NA. You may call/text Noreen 951-660-8445 if you have any questions or submit the form to her directly.
