

Service Opportunities

Chairperson sets agenda for and presides over all subcommittee meetings.

Vice Chairperson will assist and preside over all subcommittee meetings in the absence of the Chairperson plus monitor facilitators.

Secretary takes accurate minutes and reports at each subcommittee meeting.

Just For Today - Living The Program

Tell Yourself:

Just for today, my thoughts will be on my recovery, living and enjoying life without the use of drugs.

Just for today, I will have faith in someone in NA who believes in me and wants to help me in my recovery program. I will try to follow it to the best of my ability.

Just for today, through NA, I will try to get a better perspective on my life.

Just for today, I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life. So long as I follow that way, I have nothing to fear.

What is the Special Events meeting?

The role of the Special Events subcommittee is to ensure that addicts have options for fellowship without the use of drugs. The Special Events subcommittee creates opportunities for addicts to socialize and have fun in recovery. Also, it provides an opportunity for service to reach our common goals. In addition, the subcommittee will raise funds to further carry the message of recovery.

What is our message? The message is that an addict, any addict, can stop using drugs, loose the desire to use, and find a new way to live.”

“Our message is hope and the promise of freedom.” Basic Text, Page 55

How do members get involved?

The groups have come together and formed an area service committee (ASC). Special Events planning and activities are provided by a subcommittee of the ASC. The Special Events committees receives requests from members and the committee presents and executes various events that are put on throughout the year. Examples of Special Events activities include:

- 1)Dances**
- 2)Speaker Marathons**
- 3)Camp-Outs**
- 4)New Year’s Eve Celebrations and other Special Occasions**
- 5)Game Nights, Sports activities, and tournaments**

How does the work get done?

Activities are planned and coordinated by volunteers. Volunteers meet regularly to plan the annual activities and carry out the necessary logistics including seeking event locations, planning, cooking, greeting members, and many more. Special Events values and needs your input, suggestions, feedback, and participation. We openly invite you to come to a committee meeting. We always need willing hands and minds. We can’t keep what we have unless we give it away. Committee service allows us to do just that.
