Discussions & Concerns:

Another disadvantage associated with operating a 501(c)(3) is that the finances of a nonprofit are made open to public inspection, and thus, open to public scrutiny. Personal control over the

policies and practices adopted by a nonprofit corporation is also limited. May 24, 2021

-Disadvantages

- **Cost:** Creating a nonprofit organization takes time, effort, and money. Fees are required to apply for incorporation and tax exemption. The use of an attorney, accountant, or other consultant may also be necessary.
- **Paperwork:** As an exempt corporation, a nonprofit must keep detailed records and submit annual filings to the state and IRS by stated deadlines in order to keep its active and exempt status.
- **Shared control:** Although the people who create nonprofits like to shape and control their creations, personal control is limited. A nonprofit organization is subject to laws and regulations, including its own articles of incorporation and bylaws. In some states, a nonprofit is required to have several directors, who in turn are the only people allowed to elect or appoint the officers who determine policy.
- **Some nonprofits,** because of the size of their annual budgets, or because of the sources of their funding, are required by state or federal law to conduct an independent audit. In other situations, a charitable nonprofit has a choice whether or not to conduct an independent audit. How much should a nonprofit audit cost? A nonprofit audit usually costs between \$10,000 and \$20,000 depending on the size and scale of your organization.
- **Public accountant must conduct an audit.** Public accountant must conduct an audit or review engagement. If no public accountant is appointed, then only a compilation is necessary.

-Final

- Poor participation means difficulty in supplying Board of Directors
- Finances are unpredictable as areas recover from Covid 19
- We are not a business but a service body.
- Proposed discounts are negligible since we purchase very little.
- We could combine with AVCNA.
- Most US Regions are not 501 (c)(3)'s the body responsible for their convention is or they run a service office that supplies literature etc.

- Does this promote our primary purpose?
- How does this solution meet the needs as expressed in our regional survey?
- Is this a move that benefits the entire region or an individual state?
- What state would this incorporation happen in as we are a multiple state region?
- Would this cover all geographies or just VA?
- Structural changes to the service body?

Important information:

Mailing address for Regional donations will be to 9815 Leavells Rd Fredericksburg, VA 22407 for the time being.

**In Loving service,
Chelsea R.**

VRCC Director:

Hello all!

The VRCC meets for our bi monthly business meeting this Sunday, March 19th. We will have the final numbers for the 50th at this time, I will bring full report back to our April meeting.

I attended the NDANA ad hock meeting this paste Thursday as well as March 2nd. Our Chair will have a report on the ad hocks suggestions as we have now concluded business.

I was unable to make the VRCC ad hock this past Saturday as we had work clinic during the scheduled meeting time. I did however attend the February 25th meeting. Lots of good ideas and thoughts are being made about how the VRCC may improve and do business moving forward. I will keep you up to date on this as well.

I was also unable to make the first meeting of the area bid ad hock as my homegroup is Monday night. I am available with any questions and am working on getting updated bud packets as quickly as I can.

ILS,
Erin M

VRCC Alt. Director:

I have nothing new to report.

ILS, Butch N.

Subcommittee Reports:

Campout:

All is well. Campout we all met up this past Tuesday and we all decides since we had the stew this coming weekend that we were going to finalize the policy at next meeting. So as a committee we decided that we're going to reach out to Powhatan State Park for the first campout and it will be the first or second week in June. Other then that the stew was a huge success. We had around 100 people cone out and support us. So we received \$540.00 cash and checks owed is \$765.00 total of \$1305.00. Once we sell the rest of the stew it will be around \$1800.00. This does not include the seed money which we have a \$700.00 check for area for the seed money. Other than that that all i have.

ILS, Howard H.

I have included the treasurers report in addition to the campout chair report as we just finished up our Brunswick stew fundraiser last night (3/11/23). The event was a huge success! We received \$700 seed money, which will be repaid today to ASC. The total expenses for the event were \$714.67. After paying back expenses and seed money we had a cash profit of \$540. Will S has received \$450 in checks from area RCO's as well for entry fees and quarts of stew so far and is owed another \$765 in outstanding payments.

We have a total of \$990 cash on hand after repayment of seed money and are planning on collecting the additional \$765 as well as selling the additional quarts of stew over the next week or so. The total projected after collecting checks will be \$1755.

We need to put a deposit down on the christoper run campout in July by March 30, including paying for all of the reserved cabins, so the total cash on hand will go towards that and whatever remaining will be turned in to area service in the month of April.

ILS, Blake

AD HOC VRCC

Ad-Hoc Committee Report

Hi family! The Ad Hoc committee met twice on Zoom over this past month. In attendance for both meetings were I, Erin M, Jeff H, and Brian C.

We had a lengthy discussion on bringing a motion back to Area that would have added a responsibility to our VRCC Director role. That all changes to the VRCC policy, Host policy and by laws must be brought back to our area to be voted on. In our findings and much discussion on this we found that going about it that way would not be conducive.

Our findings are that for there to be any changes it will need to be changed at the VRCC and within the VRCC policy and By-Laws. Our area can put forth a motion to the VRCC if it chooses too.

From the committee we have brought back one motion that we would like to present to the area that pertains to adding an appendix to our policy on giving guidance on how to submit a bid for the AVCNA. Thank you to the members who chose to be of service on this committee.

ILS,

Tina S.

AD Hoc AVCNA 2025 Bid

The committee met twice and was able to assemble all of the information needed as indicated by the new VRCC Guidelines. We are expecting a letter of support from the Tri-Cities area this week. The venue proposal and letter of intent are ready to be presented at the upcoming VRCC meeting.

“Steps for submitting a bid to the VRCC to host an upcoming AVCNA:

1. A motion must be created to ensure that that $\frac{2}{3}$ of all home groups agree to support a bid to host an AVCNA, and in the case of being awarded the bid, commit to doing the work to host a convention.
