

MOTION FORM

Motion Number: 11/24-9

Date: 11/10/24

Motion:

Increase budget line 13000 (Inventory Storage) from \$2040 to \$2160 beginning Feb 1, 2025.

Intent:

The Storage Unit costs are increasing by \$10/month beginning Dec 13, 2024. There is enough money accrued to cover the change in fees however, as we pay the year in advance, this budget change will cover any new fees that are assessed in Dec 2025.
