**6. Area Level Trusted Servants Reports:**

ASC Chair	<p>Thank you for allowing me to be of service. I do apologize for not being here last area as I had a previous commitment that was made before I accepted this commitment. It has been brought to our attention that there have been some complaints about fellowshipping outside of the building. So we ask that you please, please fellowship in this room and when you leave here go directly to your cars. This will keep us from being in jeopardy of losing this space for the area as well as the meetings that happen here. Also let's keep our treasurer in our prayers as she is in the hospital at this time.</p> <p>In Loving Service, Jacklyn W.</p>
Announcements:	
ASC Vice-Chair	<p>Good afternoon everyone, hope all is well... It's been a busy month to say the least, so let's get right to it.</p> <p>Earlier this month I had a conversation with the pastor of this church, as he felt the need to voice some of his concerns, and the concerns of the tenants occupying the building across the street. I know many of you have already heard the concerns but I don't find it at all too much to once again express the main issues at hand especially since this is the 1st time the members of the area are hearing this collectively. There should be ABSOLUTELY no one standing on the opposite side of the street outside where the apartment complex is located! Please no loud music playing, definitely no smoking over there. The church has provided receptacles on this side of the street and asks that we remain over here. In addition please keep in mind that there is an echo tunnel between that building and the church, voices and commotion carry and are magnified and the tenants have complained on numerous occasions. WE ARE ALL IN DANGER OF LOSING OUR VALUABLE MEETING SPACES! There are currently 6 meetings that attend here weekly including area and any one of them can cause all of us to be removed. If one goes we will all be finding alternate locations! I did personally attend the New Beginnings business meeting last week and The Freedom group's regularly scheduled weekly meeting. I spoke with several home group members and just want to once again reiterate that order can only be kept if you guys do your parts by taking ownership and not being afraid to have a firm hand! This will ensure that no one has to suffer for the mistakes of the few. We are counting on you all, and thank you!</p> <p>Secondly I received an email from the church's secretary in regards to the kitchen and fellowship hall's usage. It is currently open now, but there are a few new rules the church would like for everyone to follow. I will now read her email and would ask that all GSR's and service committees that meet here please get with me after area service so that I can get you a copy. (Read Email)</p> <p>I did attend the outreach business meeting at the beginning of the month, and they have been made aware of all these concerns and will be following up with all parties involved to ensure that the wishes</p>

Once again thank you all for your cooperation and action in this pressing matter!</p> <p>Lastly I spoke with the print shop chair in regards to her research on our new printer and am sure she will be bringing us news of her findings today. In addition I've spoken with our treasurer's husband and if you have not been made aware she is currently experiencing some health challenges, but is doing much better. Please be patient with Carolyn and our treasury team as they work through this challenging situation. Also, the vice chair of policy and the secretary both contacted me and asked that you all please accept their sincere apologies as they had urgent matters that they needed to attend to and would not be able to attend today.</p> <p>In Loving Service, Tre' Y.</p>

Anyone wishing to join us with their group's concerns or issues is welcome. The subcommittee's members are committed to orienting new GSRs and carrying out the subcommittee's duties before Area meets at 2:30pm.</p> <p>The church contact person of this church has expressed concerns about motorcycles playing loud music, people hanging outside the meeting and smoking in the wrong place. Also if we are parking in the lot it needs to be on the far side of the lot not on the apartment side. All three homegroups that are held here may need to delegate someone to monitor this, according to the 4th tradition(affecting other groups or NA as a whole) as we know area service is also held here, that would be 4 meetings displaced if we were to lose this space. This was a final warning from the pastor</p> <p>In Loving Service, Hardy E.</p>
