Administrative Committee Reports:

Chair:

Hello Family, I hope you all enjoyed your Mother's Day! It has come to my attention that our area insurance policy needs to be renewed, I will need my Vice Chair Bryan to change the insurance into his name, we have discussed this prior to area and once completed I will send it out to our Campout Committee and to others who request it.

There is no old business from last month to attend to.

ILS,
Tina S

Vice-Chair:

All is well with the Vice-Chair. Working on renewing Area Insurance Policy. During this meeting please keep side conversations to a minimum. GSRs if leaving before the close of business stop by and let me know so Quorum can be adjusted.

ILS,
Bryan M

Secretary:

Hello fam,

Nothing major to report from Secretary. I turned in a Funds Request Form for reimbursement in the amount of \$39.64 for copies made at Office Depot: 150 blank home group reports and 20 blank motion forms. That should tide us over for four months or so.

The usual reminders stand: please fill out and sign your money orders before turning them in, including indicating how much is donation versus literature, to help our lovely Treasure and Vice Treasurer not have to chase you down for that later. Please also state your name before speaking, motioning, or seconding so that I can record in as much detail as possible, because I'm still as bad with names today as I was when I first got here. Working on it.

I'll now pass around the sign up sheet for the mailing list for anyone who's not already on it. It has my phone number, and while I do check the secretary email periodically, a text or call is always the fastest way to get a response from me if it's urgent.

ILS,
PowPow

Treasurer:

Hello family -

Our last bank statement shows \$13,498 in our checking account as all checks have cleared including our donations to World and CARNA. Our April expenses totaled \$2211.06 with \$1769.16 in donations income leaving a \$441.90 deficit.

Benchmark Technologies, the company that issued our scanner, states that they owe us a \$15 refund. I have filled out the paperwork for that automatic refund to happen.

Within the next two weeks, we have several important payments due.

I will be making an order of 12 Basic Texts to cover 6 months of our rent to McShin. For those that don't know, we provide 2 Basic Texts per month for use of the space for ASC equalling 24 for the year. Our insurance policy is coming due on June 5 and our Vice Chair will be renewing. The policy cost requires confirmation so that it can be paid.. Hopefully we have no increase. A Money Matters form has been submitted to allow it to be paid as our accrual so far is \$374.75 and the policy is approximately \$500.00

Our yearly PO Box fee of \$226 is due and I will be reimbursing the PR Chair who took care of the payment.

I also want to report a clerical error on my part regarding last month's literature reimbursement check as it was written for \$100 less than it was supposed to be. I will be issuing a \$100 check to Lit Chair today due to the error.

We continue to not be able to add our Vice Chair to the checking account and are working toward finding a solution hopefully by June 6.

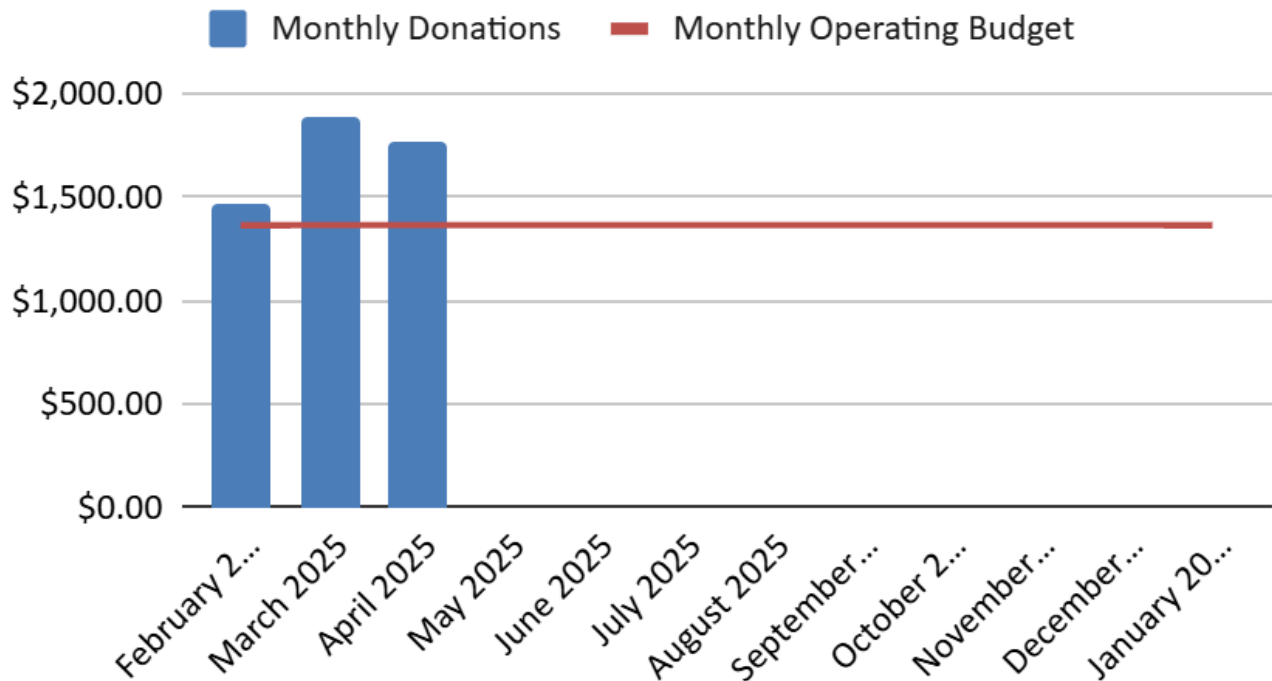

Everything else seems to be running smoothly.

ILS,
Deb W

Vice-Treasurer:

Monthly Donations vs Operating Budget

Hey Family,

We had another solid donation month last month. As a reminder our monthly operating budget is \$1,366.67. Donations last month totaled: \$1,769.16. This amounts to a monthly surplus of \$402.49. This would leave us with a cumulative surplus of \$1023.96. As always, I have included a graph that demonstrates this information.

Also, I made the deposit from last month's area yesterday, so the balance as of our last statement does not include the deposit of \$3440.96. This amount would be included in the next statement balance.

If anyone has any questions about their subcommittee budgets, please let me know!

ILS,
Scott M

Questions for Treasurer & Vice Treasurer:

Nick M – Where is the money for the insurance allocated in the budget?

Deb – ASC Budget.

RCM:

There was a GSR assembly on April 19th. It was well attended, however no one was there for New Dominion. *[Carol M: I was there.]*

The Regional was in person and online on April 20th. Mary was introduced as our RCM alternate. Roland C is the new Regional Chair. No other business was conducted.

The next Regional will be June 21st.

ILS,
Linda C

RCM, Alternate:

I attended the Regional mtg via Zooms April 21, 2025. The meeting was hybrid. The next Regional meeting is 6-21-2025.

ILS,
Mary R

VRCC Alt. Director:

Good afternoon family,

As most of you know the VRCC is meeting today and I am in attendance via zoom for that. I will have an update of the VRCC next month. Thank you for allowing me to serve.

ILS
Mackenzie M

Subcommittee Reports:

Campout:

All is well with Campout. The Christopher Run Campout is 3 weeks away (June 6-8) and we have been busy planning that. Our next meeting is this Tuesday 5/20 at Tomahawk Baptist Church 5:45pm. Contact me or Jules if you would like more information about the campout. Our numbers are listed below.

ILS,
Andrew C

Literature:

Hi Family,

All is going well with literature sub-committee.

We had \$1,337.25 in sales this past month.

Our literature order totaled \$1,287.63. Out of the \$1,287.63, \$33.48 was for shipping and handling.

The subcommittee had expenses of \$18.00 in hosting the literature review of H&I Basics on April 26th.

The literature subcommittee held a review of the proposed revisions to H&I Basics on April 26th. While attendance was light (three addicts in total) good feedback was captured and that has been submitted to NAWS. I received confirmation that our feedback was received and is being forwarded to the team handling those revisions.

Next, the literature subcommittee will be hosting an Issue Discussion Forum workshop on the topic of Gender-Neutral and Inclusive Language in NA Literature on Saturday, July 12th at the Richmond Library. For background, the 2023 World Service Conference (WSC) had consensus to select this as one of four issue discussion topics for this cycle. It was prioritized as an issue discussion topic in the Conference Agenda Report survey. The 2023 World Service Conference also passed a CAR motion that reads:

To direct the World Board to create a project plan for consideration at the next WSC to investigate changes and/or additional wording to NA literature from gender specific language to gender neutral and inclusive language.

Intent: This motion will give the conference and the Fellowship the ability to meaningfully discuss changes to our literature to be more inclusive of all our members.

Final Vote: 92 yes-31 no-1 abstain-1 present not voting 74% Strong Support

We are having this workshop to see if changes to the use of language in our literature could make our message more readily available to new and future members.

This is an opportunity to talk together, listen to one other, and build unity and understanding.

We are not and will not be making decisions, however the consensus from the workshop will be forwarded to NAWS in preparation for the 2026 WSC.

FINALLY - This month's literature pick of the month is the Little White Book. Does your homegroup have a large amount of newcomers? Are you wanting to provide them something more than an IP but your group doesn't have the financial means to provide newcomers a basic text? This is a great alternative! The Little White Book is one of NA's earliest publications from the mid 1950s, which contains basic definitions of the addict and how and why the NA program works. Also included are eight personal recovery experiences.

In Loving Service,
John M
NDANA Literature Chair

Outreach:

I have a lot of exciting news to share with you all.

1. I created welcome packets for new GSR's and present GSR's that would care for one. Inside there's helpful resources such as a motion form, group report form, Area agenda, Mock money order filled out for example, literature order form, legal pad, and a nice gel pen all in a colorful folder.

2. Outreach is looking to partner with Literature in two upcoming workshops. Dates TBD. Ideally, we're looking toward Aug and September. We are looking into a Richmond Area location strategically to get all areas involved in these forums. Each workshop and discussion panel will be focusing on topics pertaining to groups in our Area. These topics were chosen by World and will be discussed in the 2026 Conference of NA. First topic is about Predatory and Disruptive Behavior. The second topic is about Drug Replacement Therapy and Medically Assisted Treatment to NA: Helping members take Root. Both these topics are very timely and important for all members to communicate about and reflect on.

3. All these workshop events have resource materials available from World such as slides, handouts, and speaking points ready for use. The only costs would be obtaining 80 pamphlets from literature and supplying water.

4. I want to propose that we make a Policy change under Outreach that we host GSR learning days only twice a year rather than quarterly. My reasoning is there is not a great need, quarterly, as we are not turning GSR's at a high rate.

In loving service,
Selai
Outreach Subcommittee Chair

Special Events:

All is well with Special Events. Our pool party June 14 will now be held at Loch Braemar Pool 9940 Kingussle Ln on June 14th from 7pm to 10pm. Admission will be 10 dollars and we ask those who can to bring a dish.

ILS
John-Mark B

Questions for Special Events:

Q: Why was the location changed?

A: Pool at Midlo is having work done and couldn't host us this time.

[Ad hoc] History:

[No written report, the following is paraphrased from Linda C's verbal report:]

We're going to have to regroup, due to Ron from Richmond Area being quite sick and Jeff H's passing; as far as we know we will still be receiving the NA memorabilia which Jeff retained.

Questions for Ad-hoc History Chair:

Deb – How much stuff will it be, will we be able to still keep it in the NDANA storage unit?

Linda – Once we're done it should be no more than a trunk's worth.

Deb – Could you use help with scanning or other things?

Linda – Yes, maybe not so much with scanning but I would appreciate help with this ad hoc.
