

I was traveling and missed February's Regional meeting, I apologize. There was no GSR assembly in Feb as reported on 2/9 but there was an Interim WSC workshop held on 2/8/25 that went over the 12 outstanding motions from the WSC. An event for all GSRs and anyone else interested will be held virtually on Feb 28 & March 1. There will be an in person GSR assembly on 4/19-20. More details coming but the event will be held in Fredericksburg those dates.
