### Motions Back to Groups

**MOTION 3-26-1** (Read by PowPow)

Motion: I request \$262.38 to purchase literature for a group of inmates that facilitate an NA meeting amongst themselves. Region donated 10 Basic Texts. Piedmont is paying \$262.38. The request is for an additional 15 BT and 25 Flatbooks. I propose the funds come from funds for AVCNA newcomer packets since there will be no AVCNA this year.

Intent: To carry the message

Made by: Mary R.

Seconded by: Michael R.

*Discussion around motion:*

- Further background - the group approached Region to request the literature. They are not part of our geographical area, and we do not currently take meetings into this facility through H&I.
- Possible precedent was discussed- this may open the door to others approaching us for literature.

- Since this meeting is not facilitated by H&I, the possibility of it not following traditions was discussed.
- Confirmation was given that the facility will accept the literature if the motion passes
- Point of information - the money, since it's coming out of the AVCNA newcomer line item, is money that otherwise would not be used for anything this year since there's no AVCNA this year.
- AVCNA Newcomer Packet Budget Allocation is \$900 annually. Current YTD accrual is \$75.
