### Motions Back to Groups

**MOTION 4-26-1** (read by Bryan M.)

Motion: To add the following to Policy 6-dd) Policy Subcommittee Chairperson Responsibilities:

“vi) Notify ASC Chairperson of service positions coming open one month before they are open so that notification can be given to GSRs. Also include this notice in monthly ASC report.”

Intent: To align policy responsibilities with the existing policy under L)Terms and Elections - i). The verbiage is pulled directly from L)i), except “also include this notice in monthly ASC report” which would be a new addition, but aligns with existing practices.
