Motions Back to Groups

MOTION 7/26-1

Motion: Under PR responsibilities, xi add "Zoom" to read "is responsible for submitting bills for website, Zoom, and phone line to be paid by treasurer from the PR budget."

Intent: To acquire and maintain virtual meeting space for all area needs and to align with PR responsibility XIV "maintain area Zoom account".

Made by: Richard S.

Seconded by: Billy M.

Discussion Around Motion:

- Clarification that maintaining a Zoom account was previously added to the PR responsibilities - this is aligning the policy about budget to match

REGIONAL MOTION 239-1

Motion: To add section VIII, Additional #11 - "Except on conference year" (i.e. CAR, CAT strategic planning).

Intent: To allow delegate team to engage with areas of planning GSR assembly

Made by: Policy

Seconded by: Mark

Discussion Around Motion:

- Clarification that this would mean there is no GSR assembly on conference years
